Eligibility Requirements

An organization may submit one nomination for an individual or volunteer group in any age category. The goal of the *Spirit To Serve* award is to honor recipients who represent diversity in types of volunteer activity, age, and geographic location in Montgomery County.

Nominees must either reside or volunteer in Montgomery County. A group nomination must include a majority of people who either reside or volunteer in Montgomery County.

Non-profit charitable organizations that have a tax exempt status are eligible for the contribution associated with the award. An award recipient who is connected with a non-qualifying program may designate a qualifying program of his/her choice.

Nominations are for volunteer efforts that took place during the preceding year, 2002.

Volunteer(s) nominated must serve the Montgomery County community at large. Religious, fraternal, or professional groups that provide services only to their members are not eligible.
